

## **Sales-start up**

£30,000 base £50,000 ote

London

*Our Client is one of the leading wedding management solutions suppliers in the UK. With thousands of people arranging weddings our client provides a bespoke 'special day'. This might include arranging reception venues and hen and stag nights etc. Planning a wedding is a complex task, so our client offers advice and the full solution from selecting and booking venues and photographers to the vintage car to get the bride to the wedding on time. Everything to ensure things run smoothly is done on the click of a mouse. For suppliers seeking to increase traffic, they offer improved SEO and web site consultancy.*

Lead by a highly experienced management team, excellent technical backup and an enviable track record they seek to hire a self motivated sales person to win new clients and develop an already established client base. Any ambitious sales person will have the opportunity to make a difference. In start-ups long term career growth is inevitable, so we're looking for tenacious, intelligent, ambitious individuals.

If you are a sales person looking for an exciting challenge who can sell the simplest solution to a photographer up to a complex solution (web design, Internet marketing, Google Analytics etc) to a big venue then this is a great opportunity for you. You'll benefit from training in basic web design, SEO and a great working culture.
